

Outline for Entry Submittals to the WFWS46 2021 Show

The procedure for submitting our paintings into the Western Federation Watercolor Society 2021 show will be different from past years. The Utah Watercolor Society UWS uses ArtCall, an online art exhibition web based program for accepting entries into their shows and will be using this program for entry into the Western Fed 2021 show. The Artist submitting their work into the show will be responsible for submitting their entry through this program.

The images submitted must be properly formatted just as required for a typical SAWG show (please review the UWS prospectus) [Prospectus](#) (Oct 1, revision)

We know from experience with the images submitted into our shows, some jpgs will likely need to be adjusted to meet the formatting requirements. Nancy Huber has graciously offered to review the images prior to the artist entering them through ArtCall so the entries aren't rejected due to formatting errors.

Below are the steps to have a successful entry:

1. Read the prospectus provided by UWS and follow its guidelines. [Prospectus](#) (Oct 1, revision)
2. Read the Outline to guide you through the ArtCall program input screen forms. <https://utahwatercolor.org/2019/01/27/artcall-entry-instructions/>
3. Format your image through Photoshop.
4. Email your formatted image to Nancy Huber for review by December 15th. Nancy S. Huber nancyshuber@gmail.com Nancy will email your reviewed/corrected image back to you once she is done.
5. Submit your image through ArtCall by Jan 10, 2021. <https://wfws46exhibition.artcall.org/>
