

BEGINNER AND UP WATERCOLOR CLASSES

Starting January 18, 2025, 1 to 4 pm, 4-week series

You will learn or brush up on different watercolor techniques each week in class under guidance, learning principles of painting, composition, color theory, and more.

Each week will be a different subject & techniques with the goal of a completed painting in class.

Artwork is sample of Instructor's style, not necessarily what will be painted in class
