

## Supply List\*

**Paper:** Any good watercolor paper will do! I prefer using Arches 140 lbs. cold press paper.

**Paint:** Any brand of professional watercolor paints. I like to use M. Graham watercolor paints.

**Brushes:** Use the brush you are most comfortable with. I prefer using a round #16 or #14 watercolor and a small #3 rigger brush.

**Palette:** Use any palette with large wells.

**Other essentials:** Tracing paper, carbon paper, pencil, eraser, masking tape, a board to place underneath your painting, large container for water, paper towels, any personal reference materials and an expectant happy heart!

\*Most of these items are available online at Blick art Materials, Cheap Joes Art supplies, or Jerry's Artarama and some items are available locally at Hobby Lobby, Michaels or Tucson Art Supply.
