

The Southern Arizona Watercolor Guild presents...

# Randy Hale

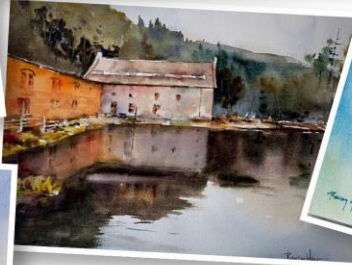

March 25-28, 2025

## Creating Impressions of Reality

**Sign Up Today! All Levels (some experience)**

Over four days a variety of interesting subjects will be addressed. Participants will have the opportunity to transform topical reference information into paintings which will reflect individual, personal expressions...that are truly impressionistic depictions. Letting hues mix, mingle, and flow across the surface of paper; loosening up edges; allowing a painting to breathe; and providing room for a viewer's imagination to roam will inevitably make much more imaginative IMPRESSIONS versus simply copying reality. We will cover the following items: Travel Journaling, Working Wet, Loose & Fluid, Essentials of Composition, Understanding Negative Shape Painting, Reality - Seeing Subjects in a New Way, Abstracting our Reference Photos, Creating Impressions not Copies, Designing and Pushing Abstraction
