

## Taking Care of Your Plexiglas

Using regular glass cleaner may harm your Plexiglas, so it is recommended that you use products designed for use on plastic. All the products listed below may be purchased at Ace Hardware or from Amazon. **Novus** products are also available at The Container Store.

The best products for this purpose are made by **NOVUS**. They have a spray cleaner (Novus #1) and two products for removing scratches. Novus #2 is designed for fine scratches. Novus #3 will remove heavy scratches. You can buy a kit of all three for about \$11.00. At Ace the prices on individual products range from \$5.00 - \$8.50.

Another brand also available at Ace Hardware is **Craftic 20/20**. They have a **Cleaner** (@ \$6.00) and a **Polisher** (@ \$5-6.00). They also carry **Disposable Wipes** that are static free @ \$3.00/ea. and a reusable cloth which is washable for @ \$4.00.

Ace also has a product for cleaning put out by **Blue Ribbon Products** called **Plex-Clean** for @ \$6.00.

**Scotch-Brite Dusting Cloth** made by **3M Company** is a non-static cleaning cloth for Plexiglas. This is available from American Frame and other retailers who carry 3M products.

Enjoy your fine art purchase and keep it beautiful by using care in keeping it clean.
