

## **Angel Fund**

The Angel Fund will provide the entire dues for a member requiring financial assistance and/or one-half the workshop fee to a member who needs financial assistance to attend a SAWG sponsored workshop. Assistance will be provided to no more than two members per workshop.

The member requesting assistance will pay the deposit when registering for the workshop. At the same time, the member must submit a written request for workshop assistance to the President or Treasurer. This request must be made at least one month before the balance of the workshop fee is due. If there are more than two requests for a particular workshop, the requests will be funded on a first come, first served basis. The funds will be sent directly to the workshop chair. The member will pay the remaining balance of one-half the workshop fee when due.

A member may request assistance once per year. The request will be kept confidential. If for some reason the recipient does not attend the workshop, the assistance funds will be returned to SAWG.

At any time when the balance in the Angel Fund falls below \$500, the Treasurer will direct the transfer of funds (with approval of the Board of Directors) from the General Fund to the Angel Fund to keep the minimum balance at \$500.
